Q: What were the strengths of this course and/or this instructor?

- 1 Passion
- 2 He is very enthusiastic. He can communicate with you proficiently in English and Japanese.
He will spend a lot of time on students and courses, not on this annoying score. Please don't discuss the score with him, you can do better next time. Because you have plenty of opportunities.
- 3 Great enthusiasm
- 4 The teaching methodology.
- 5 Challenging material, but we had great guidance from Richard
- 6 Always bring a lot of energy to the class
- 7 Active and healthy learning environment. Challenging and useful class content and topics. Responsible instructor and teaching.

Q: What could the instructor do to make this course better?

- 1 I think this is the most enjoyable course I have ever taken at Northeastern University. The teachers put their best effort into teaching the course. He is already the best. The only thing that needs to be mentioned is that please give more confidence and encouragement to students. They will do very well with your help.
In my opinion, he is not worthy of being a teacher, he is more of a mentor, guiding us on the road to success.
- 2 Less assignments
- 3 Can't think of any
- 4 not much
- 5 Try to make it a CS course instead of a math course. The materials is really hard, but most of thing is not covered during class. Please use time efficiently and bring more example when we try to learn something new.
- 6 Time for classes could be adjusted to better cover the materials since sometimes we have tight schedules for big topics.

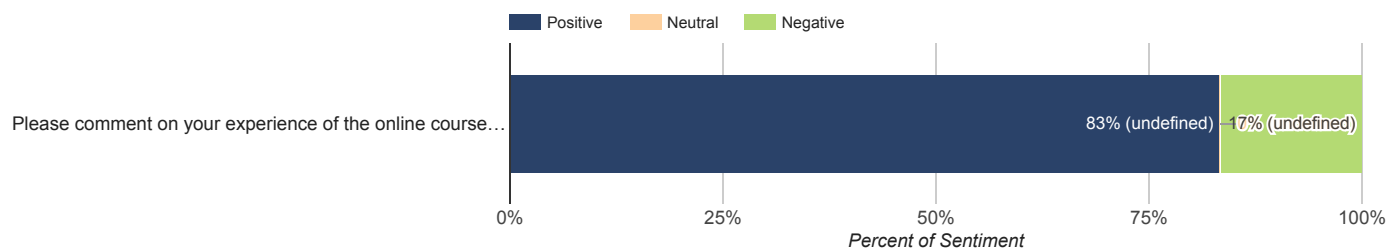

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

- 1 This class will be very difficult, but only compared to other water classes. But precisely because of the difficulty, the teacher will give a lot of help. The only thing you need to do is to keep up with the teacher and seize the time for everything. Because you will find that this can be a very shining moment in your life.

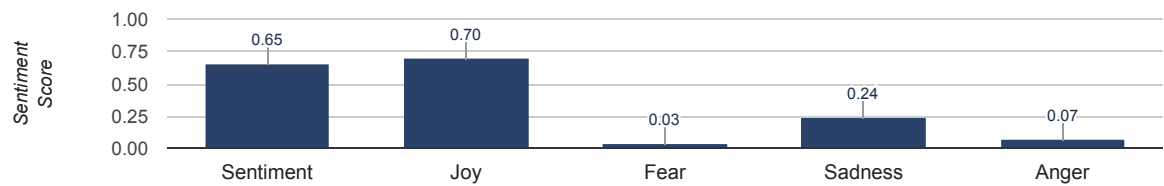

I would give richard a thumbs up
- 2 n/a
- 3 Can't think of any
- 4 Richard is knowledgeable, passionate, and approachable, had all the great traits to help us succeed
- 5 Have strong skill in Math.
