Instructor Related Questions: Zhifeng Sun (14 comments)

Q: What were the strengths of this course and/or this instructor?

- 1 class and homework are of great quality!
- 2 The structure of this course is clear.
- 3 The instructor has excellent ability to clearly explain the algorithm using whiteboard.
- 4 I am extremely lucky that I got into this class with all the waitlist, Instructor Sun Zhifeng provides the algorithmic thinking that is not available outside the class. He is extremely knowledgeable when it comes to data structures and Algorithms and provides in-depth analysis that helps us remember what we have Learnt.
- 5 He has been teaching this course for many years, so he is very experienced and efficient in transferring knowledge.

Q: What could the instructor do to make this course better?

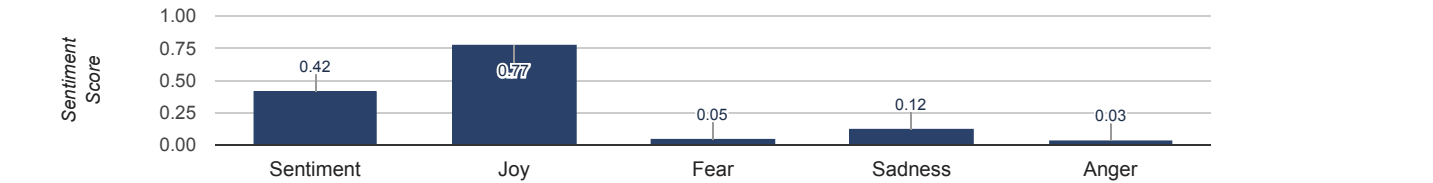

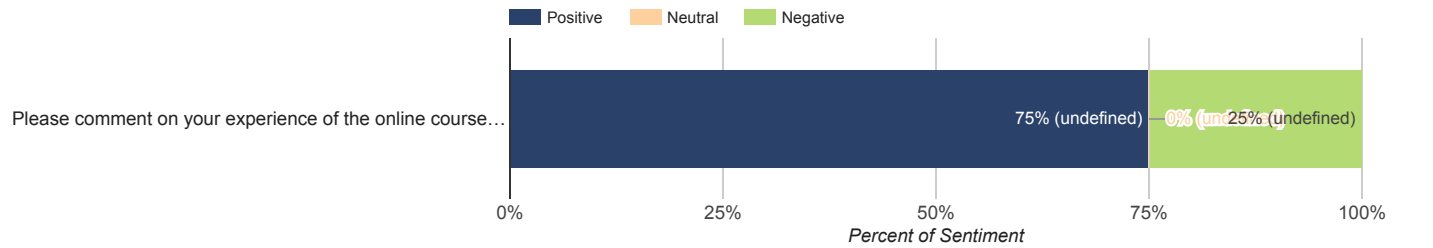

- 1 Record lessons to facilitate the review process.
- 2 Give more examples for homework.
- 3 If the recording could work for every class, it will be fantastic.....
- 4 I wish he provided additional notes as well, his current way of teaching is excellent though some Notes can make it more effective.
- 5 I think it would be better if every class had a video for students to review.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

- 1 great class with useful class content!
- 2 Improve recording.
- 3 The instructor is doing fine for this class.
- 4 His class is very interactive.

Q: Please comment on your experience of the online course environment in the open-ended text box.

- 1 Good!★★★★★
- 2 the online content is fine.★★★★★

Q: Please comment on your experience of the online course environment in the open-ended text box.

3 Good★★★★★

4 This course is not a online course★☆☆☆☆

Student Self-Assessment of their Effort to Achieve Course Outcomes (4 comments)

Q: What I could have done to make this course better for myself.

1 summarize the key knowledge conveyed in class.

2 Take more time to do homework.

3 well, if the curriculum could be normal..... the last two week of curriculum is too intense, as 2 assignments following a quiz is a bit overloading.

4 Do more leetcode.
