Q: Please comment on your experience of the online course environment in the open-ended text box.

- 1 Overall good ★★★★★
- 2 The online course environment was split in a very unintuitive way, with grades, instructions, submissions, and due dates all in different locations and no easy way to keep track of what assignments are due when and which class topics are relevant to which problem set ★☆☆☆☆
- 3 I go in-person, doesn't apply to me ★☆☆☆☆
- 4 The online classes were fine. It was at times hard to get a hold of the professor, during office hours, but it was mostly okay. ★☆☆☆☆
